Re: Draw request # 3

Dear Mr. Donnelly,

Enclosed please find a copy of the draw request number 3 for the above-mentioned project. The project is coming along fine, as I'm sure your aware of. I must say that your builder, Mr. Folino, other contractors could learn a thing or two from him. I haven't seen quality like that in a long time.

Please do not hesitate to contact should you have any questions.

Sincerely,
